3 THE CHINESE TENORS

The 3 Chinese Tenors are an internationally recognised ensemble that has inspired audiences across Australia and South East Asia performing the most beautiful and evocative classical pieces ever written. The group was formed in the early 1990's when three singers were invited to perform as part of Australia's bid to win the Sydney 2000 Olympics (Darling Harbour). Since that time the group has performed across Australia as well as in China, Malaysia, Thailand, Singapore and Hong Kong.

People are amazed that the 3 Chinese Tenors perform songs in Italian, French, German, English and Chinese, all in the one program. We take our audiences on a journey of music, beauty and delight. Our program showcases a wide range of traditional opera composers including Puccini, Bizet and Verdi. We also actively engage our audiences by performing humorous drinking songs including Brindisi.
